CALVIN CHRISTIAN SPRING GALA  
APRIL 15, 2023

# *Welcome!*

Dear Calvin Family & Friends,

Welcome to the 2023 Calvin Christian Spring Gala! We want to start by thanking each of you for the outpouring of support for our school.

This event for parents, alumni, faculty, and friends is so we can come together in support of the school and celebrate the Calvin Christian community. Past galas have built our campus and this year is just as important. This evening, all proceeds will help us improve our campus security systems.

Thank you to our corporate sponsors. Thank you to those who bought a Valentine Gram, sponsored a teacher, or just simply donated to this event.

Thank you for attending and supporting the mission of Calvin Christian. If it weren't for you and all our generous donors, none of this would be possible.

Thank you again. Have a magical and memorable evening!

Blessings,

Calvin Christian Service Group

## *Introducing our Auctioneer*

### **Bill Verhoeven**

Bill Verhoeven has been Calvin's faithful auctioneer for over 30 years, but his dedication to the school has been seen in many more ways as well. Bill has been a school board member and was on the committee to build the high school in the early 1980's. His wife Betty, their four children, and nine grandchildren, all attended Calvin Christian. We are thankful for Bill's continued involvement with the Booster Club and support of the school. You may still see him running the scoreboard at a boys' basketball game, so don't forget to say hi!

Item # 119

*Donated by:  
Karen Spann*

Three nights of nostalgic Big Bear! Pinewood Haus is a modified A-frame, named the “Li'l Cabin in the Woods” during the infancy of Big Bear’s evolution to a ski town. Pinewood Haus, established in 1968, is an architectural icon of 1960s Big Bear. It has remained a peaceful all-seasons mountain retreat for friends and family. Minutes to Big Bear’s ski resorts and village but located on a quiet cul-de-sac in the desirable Fox Farm area, Pinewood Haus is still central to all of Big Bear’s attractions and conveniences with the feeling of seclusion. Easy access to local routes help you avoid peak season traffic. Pinewood Haus feels warm and charming and will bring you back to days gone by. Don’t let the nostalgia fool you, this well-maintained cabin is cute, comfortable, and has modern conveniences. The cabin feels spacious with living room open to high ceilings and a lot of natural lighting throughout. A corner fireplace sets the cozy mountain mood but the central heating keeps the cabin toasty. Mountain breezes whispering through the pines will cool the house in summer. Settle into that cozy cabin feeling streaming your favorite shows on the smart TV or utilizing the complimentary WiFi. Other accommodations include handy washer and dryer located off the hallway from the well-stocked vintage full kitchen-- fully appointed with appliances, pots, pans, utensils, coffeemakers (drip and french press), kettle and grinder. The bathroom is simple and features a large walk-in shower. Private bedroom on main level features queen sized bed. The open airy loft features two full sized beds. The retro living room has full sized sleeper sofa. Outside, commune with nature spending time on the quaint wood decks. Front deck faces the quiet neighboring homes and flat easy access off the cul-de-sac, no arduous driveways to get to Pinewood Haus, a bonus in the winter months. The back faces nicely treed pines in the 12,600 square foot open lot. Really immerse yourself in nature with nearby hiking trails! Plenty of events and festivals to be enjoyed, especially during the summer months. Our cabin is a perfect retreat for anyone interested in experiencing the best of Big Bear. Terrific getaway! A truly unique property. The kind of place where lasting memories are made.

## Horsin' Around Camp

Fulfill the dream of learning to ride a horse at Miller Equestrian Services, less than a mile away from Calvin! Campers will share a horse for the week and will ride every day along with learning about proper care and horsemanship. Safety is stressed and this hands-on horseback riding camp teaches the campers about health care, physical fitness, proper nutrition, dental and hoof care, transportation, and of course proper grooming and tack care. Demonstrations will provide visual representation of the daily topic and the campers are given the opportunity to try their hand at everything from riding, driving a horse hooked to a cart, to taking their temperature! At the end of each day, we will cool down with a swim in the pool. Join us on the last day of camp and watch your camper demonstrate what they have learned. Learn responsibility, horse-care, make new friends, and have a lot of fun!

The need for treatment can arise from injury, as a result of repetitive use of limbs or misalignment of the spine. Also, sports often present injury risks.
