What is it?

This beloved tradition of the Calvin family celebrates CCS's heritage and raises funds for the school's future

What are the funds for?

This year funds will go toward a much-needed update to our elementary playground and our Legacy Fund, a need-based tuition assistance program.

What will be there?

Live & silent auctions, fresh-made Dutch treats, flower & plant booth, food court (tacos, pizza, lumpia, burgers), handmade wares, a petting zoo, inflatables and carnival-style games for kids of all ages, a Dutch dance performance, and more!

Why Dutch?

Our school was founded by Dutch immigrants dedicated to the value of Christian education. We give thanks to God for that first generation's hard work, prayer, and commitment to training our children in the Lord.
